## WHY COSPIXARE?

### NSDC-Certified:

Government-validated curriculum aligned with industry needs

### Expert In-House Faculty:

All instructors are Cospixare Practitioners, not freelancers.

### Live & Interactive:

Real-time coding, Q&A, and peer collaboration in every session

### Unlimited Replays:

Course recordings accessible for 6 months after batch ends

### Career Accelerator:

Resume workshops, mock interviews, and placement support

### Community & Network:

Slack channel, monthly hackathons, alumni referrals

“Learn. Build. Innovate. Launch.”
